EOSC vision and values

EOSC as federated infrastructure that can enhance value-based open trusted, user centric digital services across borders within the Digital Single Market (Vienna Declaration)

Common values:

- Focused on research needs
- Community driven
- Inclusive and respectful of diversity
- Transparent and trustworthy

**EUROPEAN OPEN

Governance Board

– Operating principles

The GB and its subgroups have four core operating principles:

- Openness.
- Inclusivity.
- Balance.
- Foresight.

**EUROPEAN OPEN
SCIENCE CLOUD**

Governance Board - Subgroups

Three subgroups established initially:

- **Compatibility** of EOSC with current/planned national structures/initiatives.
- **Regulatory framework** for the emerging ecosystem.
- **Data**: Underpinning the resilience of the EOSC.

Current issues of the GB

Strawman report (Sustainability WG)

-> explore possible means for sustaining the European Open Science Cloud beyond 2020 (financing model: core and market places, legal vehicle, governance structure, regulatory and policy environment of the EOSC)

Strategic partnership

- Options: Co-programmed/Co-funded partnership
- Agree on MoU /contractual arrangement → common vision, possible contributions of MS and EU, incentives

-> Discussion process and active involvement of scientific community on MS and EU level is vital for the success
