Setup and management of the EOSC Secretariat supporting the EOSC Governance

EUROPEAN OPEN SCIENCE CLOUD - EOSC Funding Opportunities with Co-Creation Budget

EOSCsecretariat.eu has received funding from the European Union's Horizon Programme call H2020-INFRAEOSC-2018-4, grant Agreement number 831644

■ Co-creation budget

- ensure **flexibility** in the roll-out plan
- providing budget for all upcoming, foreseen and unforeseen activities
- related to work of EOSC Secretariat supporting EOSC Governance

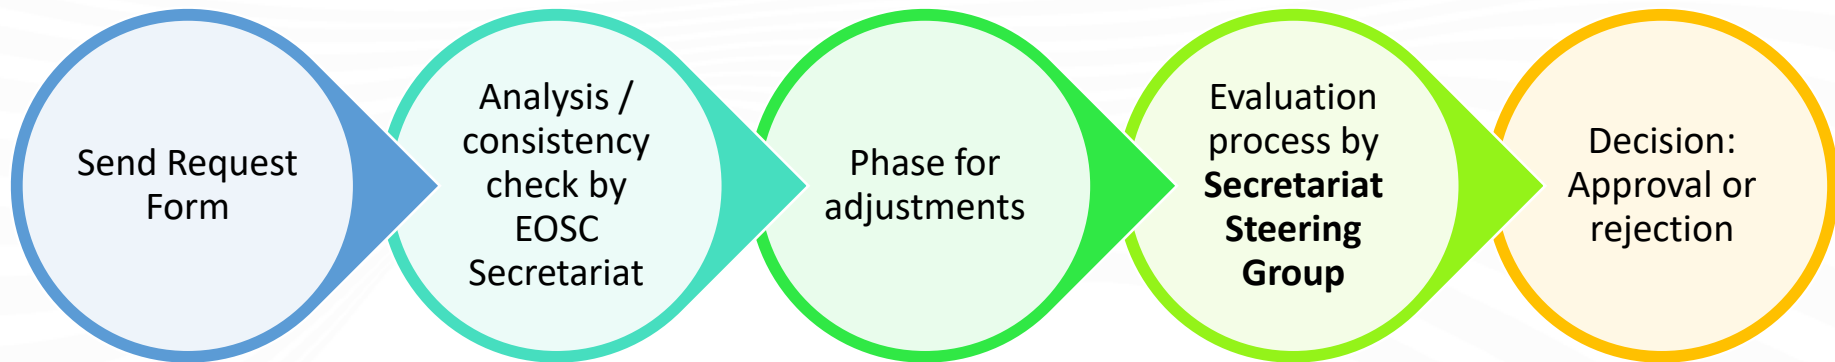

■ Activities suitable for co-creation

- related to the work of the EOSC Secretariat
- support the EOSC Governance
(EOSC Executive Board, Governance Board, Stakeholder Forum)
- specifically in context of Executive Board Working Groups activities:
 - ✓ Engaging with Stakeholders/
Coordination (initiatives)
 - ✓ Support services for the
Working Groups (WGs)
 - ✓ Analysis and studies to support
EOSC in practice
 - ✓ Support services - EOSC
Board and Executive Board
 - ✓ Communication,
Dissemination,
Stakeholder forum/events

- **Who can apply for co-creation activities?**
 - ✓ Individuals and legal entities residing in EU Member States (including associated countries)
 - ✓ not being funded from other sources for an identical activity

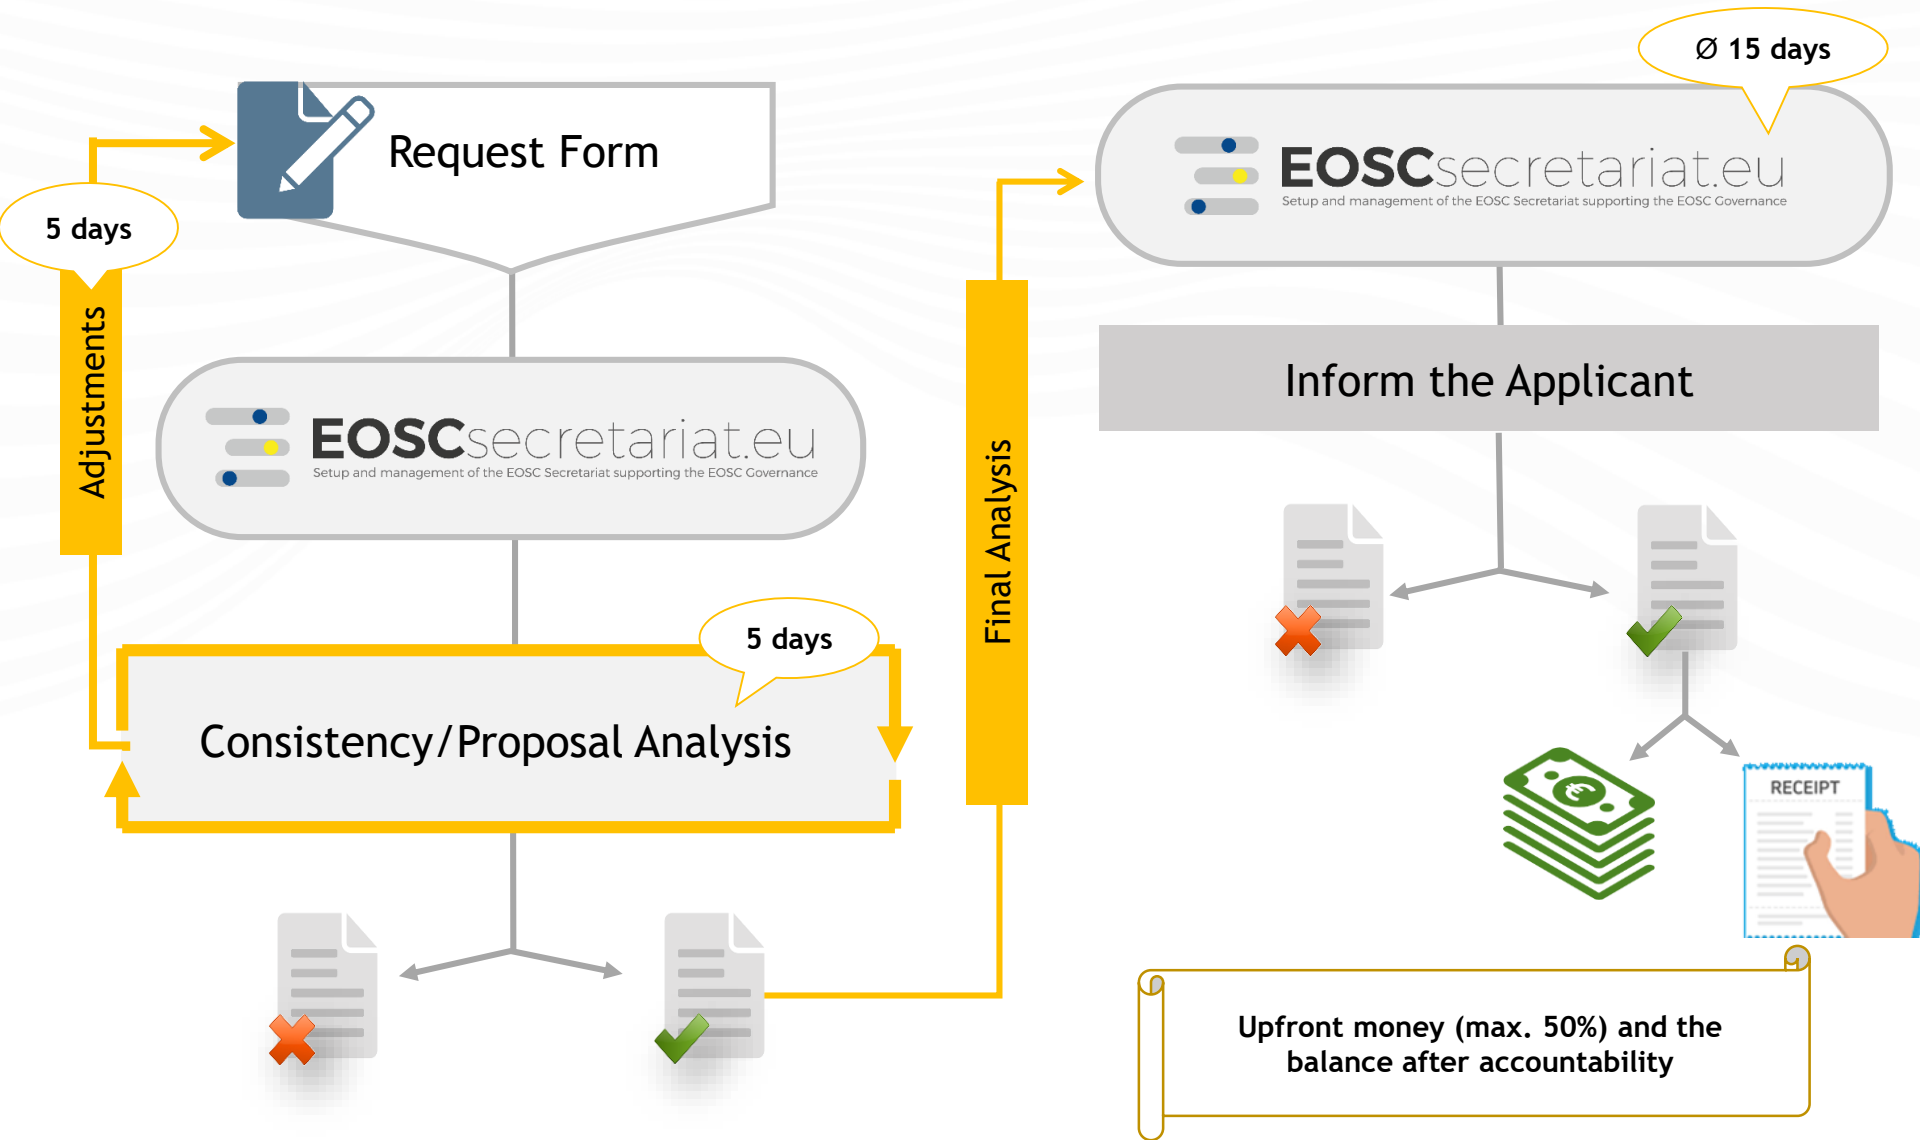

- **What are the application and evaluation criteria?**
 - ✓ **Eligibility according to H2020 criteria**
 - ✓ **Relation to work / supporting EOSC Governance**
 - ✓ **Added value** to existing EOSC activities
 - ✓ Quantified **benefits for the EOSC / KPIs**
 - ✓ Max 45 KEUR, otherwise public tender procurement required

■ **Process** (appr. 30-45 days)

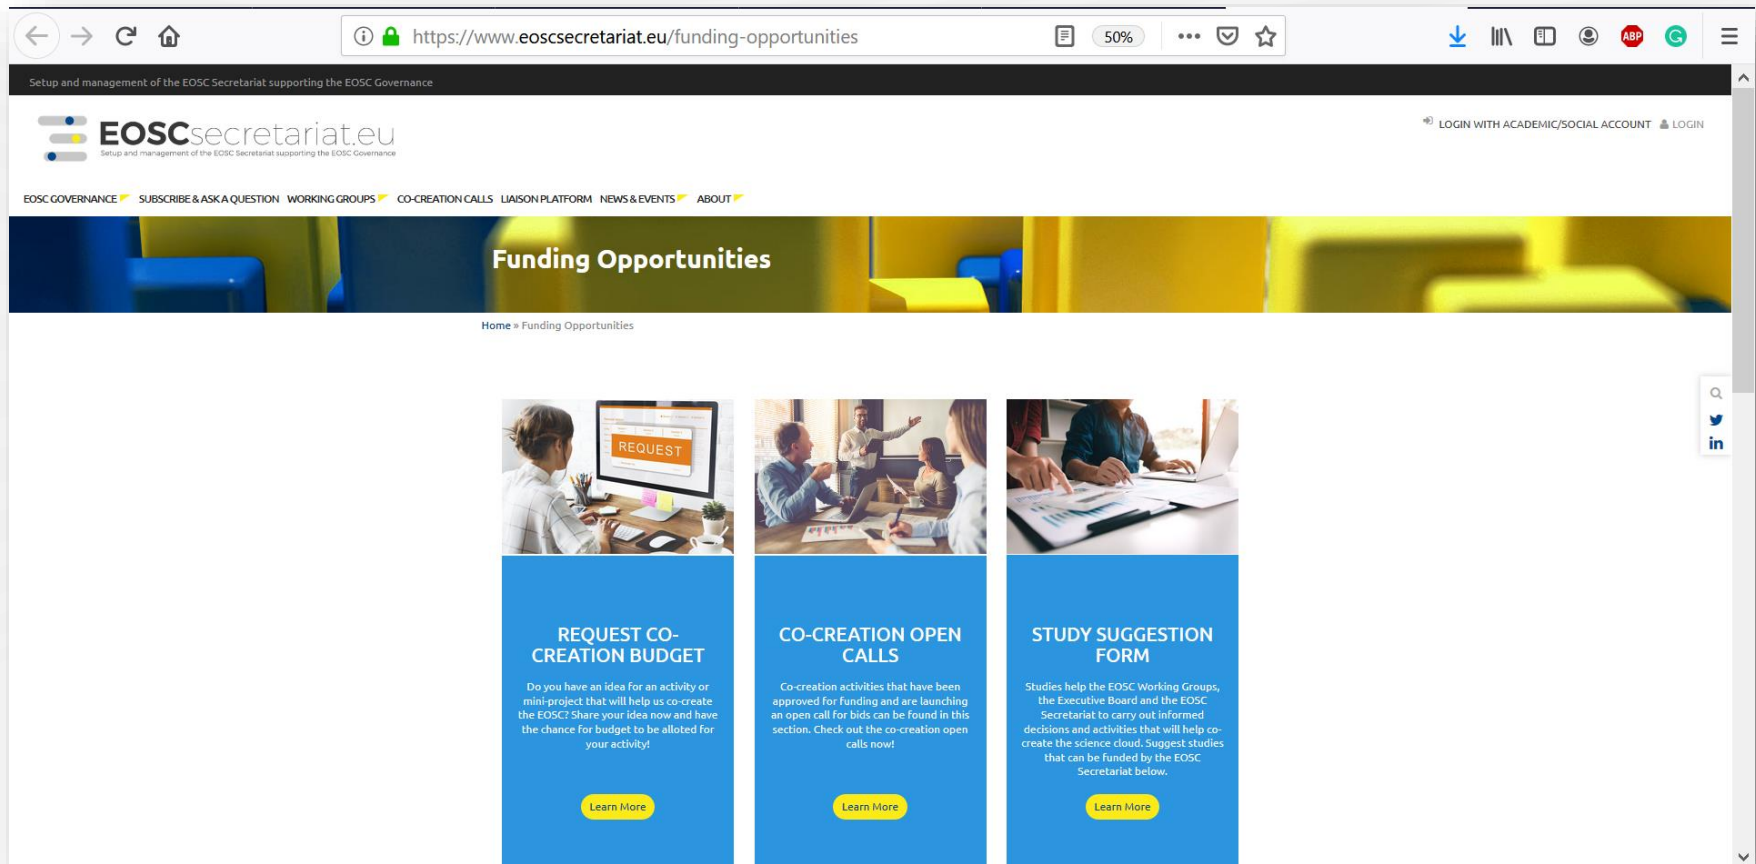

- Evaluation on a case by case basis
- Provide a transparent and objective analysis of the financial provisioning
- Clearly state how it pragmatically contributes to EOSC indicating clear benefits/KPIs
