Highlights

EOSC Governance

Towards a timeline for the governance framework

Guiding principles

- *Independency & neutrality*
- *Working for and under the supervision of the EB*
- *Interim character, with an enabling and advisory approach*
- Supporting a user centric EOSC implementation, with the Co-creation budget at the command of the EB
- *Flexibility & agility*
- *Transparency & openness*

Analyses and studies to support the progress of the EOSC

- Commissioned or conducted by the EOSC secretariat team to serve decision making on governance
 - Call for tenders and experts foreseen
- Confirmed topics:
 - Investigating innovative business models for EOSC
 - Rules of participation for service providers and users
 - Legal and organisational framework for sustainable governance.
- Other studies will be conducted based on needs of the Executive Board and its Working Groups

Co-creation opportunities

1. Co-creation budget

EOSCSecretariat.eu retains a high degree of flexibility in its roll-out plan by adopting a co-creation approach and providing budget for all upcoming, foreseen and unforeseen, activities and actions related to the work of the EOSC Secretariat to support the EOSC Governance.

2. Who can apply for co-creation activities?

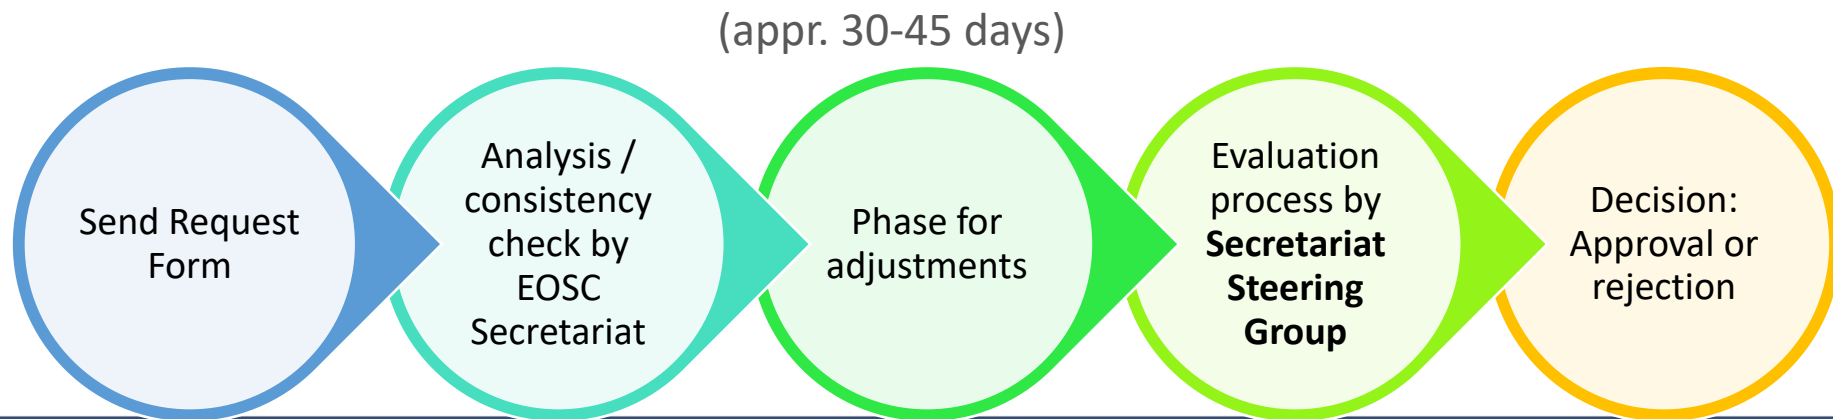

- ✓ Individuals or natural persons residing in the Member States of the European Union (EU), including their outermost regions and the associated countries (AC)
- ✓ Applicants who are not receiving support from other instruments (EU or national Research Infrastructure projects) for the proposed activities, and are not being funded from other sources for an identical activity

3. What are the application and evaluation criteria?

- ✓ Eligibility according to H2020 criteria
- ✓ **Activities and actions which are related to the work of the EOSC Secretariat to support the EOSC Governance**, in particular the activities of the Executive Board Working Groups, the Governance Board Sub-Groups and the Stakeholder Forum
- ✓ **Added value** to existing EOSC activities
- ✓ Quantified **benefits for the EOSC/KPIs** and the corresponding outcome
